

AAT Level 4 Diploma for Professional Accounting Technicians Blended Learning

Course Overview

Ready to take the final step and become a fully qualified accounting professional? The AAT Level 4 Diploma is the highest level of AAT training. This course is all about moving you past basic calculations and turning you into a strategic decision-maker who can analyse data, manage risk, and advise business leaders.

What You Will Study

The course is made up of 5 mandatory units,

- Financial Accounting
- Management Accounting
- Audit and Internal Controls
- Principles of Taxation
- Advanced Business Awareness

Attendance Expectations

Delivered via blended learning, this course offers the flexibility to study at your own pace through our online portal, combined with the structure of weekly live lessons on MS Teams.

How You Will Be Assessed

There is an end of unit externally assessed exam.

Entry Requirements

This is an advanced course, so you'll need a solid foundation to get started. Most students join this course after passing the AAT Level 3 Diploma.

If you don't have the Level 3 qualification but have years of practical accounting experience, we can arrange an interview and a quick skills check to make sure you're ready for the challenge. Please email mmccormack@heartofyorkshire.ac.uk
