

# Access to Midwifery

## Course Overview

Our Level 3 courses are designed to give learners the UCAS points needed to progress to university. The courses are fully online, where you can access the course materials and assessments 24 hours a day. The course takes 9-12 months to complete.

Upon successful completion of this course this will allow students to progress to different university courses including:

- Midwifery
- Community Midwifery

## What You Will Study

Throughout this course you will study 19 units over different subject areas including Biology, Health Science, and Psychology.

Some of the units include:

- Professionalism and Multidisciplinary Teams
- Perspectives in Psychology
- Pregnancy and Health
- Early Attachment and Development

## Attendance Expectations

There is no on-site attendance required, though students are expected to undertake 10-15 hours study per week. With 1:1 tutorials available.

## How You Will Be Assessed

You will be assessed through a variety of different methods, including written essays, presentations and timed control assessments.

## Entry Requirements

GCSE Maths and English at Grade 4.

GCSE Science would be beneficial.

## Fee Information

There is funding available for this course, subject to previous qualifications, if you are not eligible for funding the course can be funded via the Advanced Learner Loan.
