

# Certificate in Supporting Teaching and Learning

## Course Overview

This course has been designed to give you the skills you need to work with, and support, children and young people in an educational setting.

During your studies you will cover a wide range of areas including communication, development, planning activities, monitoring and more.

You will also gain insight into how schools and colleges are structured and operate, health and safety legislation and the importance of safeguarding and child welfare.

You will learn how to:

- Understand the importance of play in development
- Effectively support learning activities
- Understand positive relationships with children and young people

## What You Will Study

The course is made up of 10 units which include:

- Unit 1: Understand Schools and Colleges as Organisations
- Unit 2: Understand Children and Young People's Development
- Unit 3: Safeguarding Children and Young People
- Unit 4: Understand Equality, Diversity and Inclusion in Work with Children and Young People
- Unit 5: Support the Health and Safety of Children and Young People
- Unit 6: Maintain Relationships with Children and Young People
- Unit 7: Support Positive Behaviour in a Learning Environment for Children and Young People
- Unit 8: Promote an Effective Learning Environment
- Unit 9: Contribute to Teamwork in a Learning Environment
- Unit 10: Provide Displays in a Learning Environment
