Certificate in Understanding Autism

HEALTH, SOCIAL CARE & WELLBEING

Heart of Yorkshire Education Group

Course Overview

Of the 700,000 people in the UK diagnosed with some form of autism in the UK, 70% of adults claim they do not receive any help in coping with their diagnosis.

As a result, feelings of isolation are common and one in three adults experience severe and ongoing mental health issues.

This level 3 certificate in Understanding Autism will allow you to develop a comprehensive understanding of autism in its many forms. You will learn how to adopt a positive approach to supporting individuals with autism and the different theories behind these approaches.
