

CMI Award Management and Leadership

Course Overview

Developing a sound basis for aspiring managers and leaders, this popular course is for junior/middle managers or those hoping to achieve that role and is designed to develop your management skills whatever your industry or organisational type.

The programme is structured on a modular basis and each module is delivered using a range of techniques including lectures, group work, case studies and technology.

What You Will Study

The CMI Level 5 Award in Management and Leadership is achieved by completing one of these modules:

- Principles of management and leadership in an organisational context
- Principles of developing, managing and leading individuals and teams to achieve success
- Managing stakeholder relationships
- Managing projects to achieve results
- Managing change
- Creating and delivering operational plans
- Managing finance
- Using reflective practice to inform personal and professional development

If you're interested in the apprenticeship route, we will introduce you to our business development and admin teams as there is paperwork required for compliance before enrolment.
