

CMI Level 3 Certificate in Coaching & Mentoring

Course Overview

The CMI Level 3 Certificate in Coaching and Mentoring is designed for individuals who wish to develop their skills in supporting and guiding others in a professional setting. This qualification provides a comprehensive understanding of the principles and practices of coaching and mentoring, enabling learners to facilitate personal and professional development effectively.

Throughout the course, learners will explore key concepts such as coaching techniques, mentoring frameworks, communication skills, and ethical considerations. The qualification equips participants with the tools to build trusting relationships, set goals, provide constructive feedback, and encourage self-reflection in those they coach or mentor.

Ideal for supervisors, team leaders, managers, or those new to coaching and mentoring roles, this certificate helps enhance leadership capabilities and fosters a positive organisational culture through improved interpersonal support.

Key Learning Outcomes:

- Understand the roles and responsibilities of a coach and mentor
- Develop effective communication and questioning techniques
- Apply coaching and mentoring models to real-world scenarios
- Build confidence in facilitating learning and development
- Recognise the importance of ethics and boundaries in coaching and mentoring relationships
- Reflect on personal coaching style and areas for improvement

On completion, learners will be equipped to support colleagues or team members to reach their full potential, contributing to improved performance, motivation, and engagement within their workplace.
