

# Hairdressing 3002-34

HAIR &amp; BEAUTY

## Course Overview

This course is ideal for highly motivated, committed people wishing to upskill their career in hairdressing. It will give you a recognised professional qualification and further develop both the practical skills and the knowledge you already have from your Level 2 qualification to work as a stylist in the industry. As part of the course, you will also have the opportunity to visit major exhibitions and shows featuring top stylists and leading manufacturers. If you have a keen interest in hairdressing this could be the course for you.

Hairdressing skills will be demonstrated and practised in the College salons, where you will have the opportunity to work on paying clients. The knowledge required to gain certification will be gained in theory lessons and by independent study in the library.

## What You Will Study

The course will cover hairdressing services in theory and practice and will include:

- Monitor and maintain health and safety practice in the salon
- Consultation support for colleagues on hair services
- Style and dress hair using a variety of techniques
- Cut women's hair to create a variety of looks
- Colour hair to create a variety of looks
- Bridal Hair
