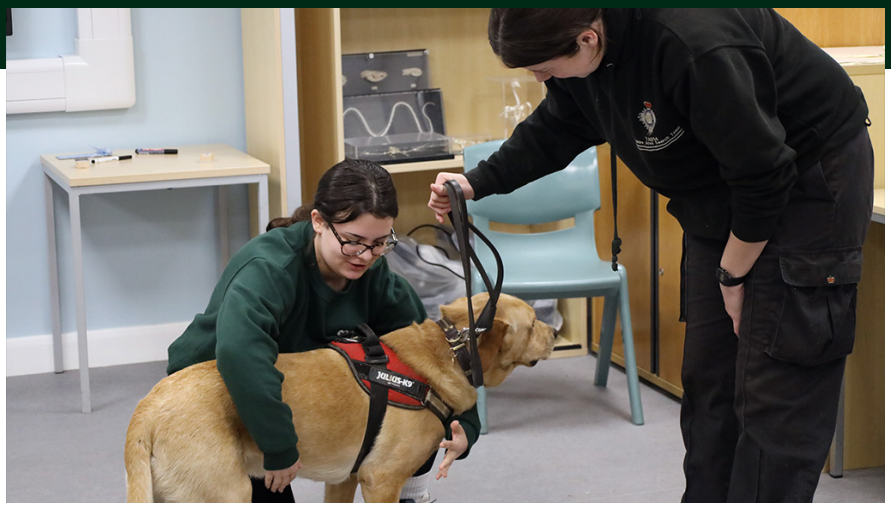
WAKEFIELD COLLEGE COURSE INFORMATION:

# HNC Animal Management (Behaviour & Welfare)

ANIMAL CARE



## Course Overview

In year one you will complete a Higher National Certificate in Animal Management (Behaviour and Welfare) at Level 4.

On completion of your Higher National Certificate, you will complete a Higher National Diploma in Animal Management (Behaviour and Welfare) at Level 5.

The course structure has been selected to provide a relevant learning environment and opportunities to meet the needs of local and regional students. It has been designed to either enable learners to progress to a related degree programme or to make a direct entry to employment through the acquisition of practical skills and relevant underpinning knowledge. These skills will be put to the test during a variety of visits, work placements and trips including residentials in both the UK and Europe.

You will learn through:

- Lectures
- Practical work in animal units
- Field trips
- Tutor led tutorials
- Laboratory work
- External visits
- Independent learning, study and research

## What You Will Study

- Animal Health and Welfare
- Business and the Business Environment
- Managing a Successful Project
- Animal Behaviour in Society
- Animal Husbandry
- Animal Anatomy and Physiology
- British Wildlife
- Ecological Principles
