

Level 1 Certificate Plastering

Course Overview

As a plasterer you can expect to prepare surfaces and level off uneven areas; mix plaster to the right consistency by hand or with an electric mixer; apply 'wet' finishes to walls and ceilings; create ornamental features like ceiling roses, cornices and architraves; fit internal plasterboard or wallboard partitions in rooms; coat outside walls with protective coverings like pebble dash or render.

You could work at a client's home, on a construction site or at a client's business.

You can expect to earn with experience £38,000.

This qualification is for those individuals who work or want to work as a Plasterer in the construction sector.

What You Will Study

The qualification allows candidates to learn, develop and practise the skills required for employment and/or career progression in Plastering. It covers the following skills:

- Preparing background surfaces and plastering materials
- Applying scratch coats
- Fixing sheet materials
- Applying floating coats
- Applying setting coats.

How You Will Be Assessed

Assessment is continuous throughout the year.

Theory is assessed through examination.
