Course Overview

This is a practical, highly flexible course specifically designed to meet the needs of learners wishing to acquire welding skills at a beginner level.

What You Will Study

You will study the theory and practice of welding in one of the following:

- Metal Inert Gas Welding (MIG)
- Tungsten Inert Gas Welding (TIG)
- Manual Metal Arc Welding (ARC)

Attendance Expectations

Mondays and Tuesdays 6pm – 9pm

How You Will Be Assessed

You will complete five practical welding test pieces.

There is also an oral assessment requiring you to answer questions on welding processes and health and safety

Entry Requirements

There are no formal entry requirements but you will need a keen interest in developing welding skills.

Fee Information

£815 (TIG £900)

Related additional costs may include materials, equipment, visits, residentials etc which are payable by all students.

Further Study

Level 2 Award in Welding Skills or Performing Engineering Operations NVQ Level 2 (employment permitting).
