

Level 2 NVQ Diploma in Beauty Therapy

Course Overview

Beauty Therapy is a diverse and thriving industry that offers an interesting and rewarding career to the dedicated professional. In today's competitive business climate, it is more important than ever for people to achieve recognised qualifications.

It should be noted that there is a large amount of anatomy and physiology involved in this course. You will be taught in our state-of-the-art salon, which is open to the general public and mirrors the industry; you will therefore be assessed not only in aspects of Beauty Therapy but also on professionalism, punctuality and reliability.

You will also be expected to complete one week's work experience in a salon.
