Course Overview

This qualification is designed to prepare you with the knowledge, skills and understanding to enter work in an early years setting and be included in staff to child ratios. The qualification includes both knowledge and skills that meet the Department for Education Early Years Educator (DfE EYE) criteria in full and map to the knowledge, skills and behaviours (KSBs) within the Early Years Educator occupational standard in England.

When studying at Level 2, you will be in college for part of the week and on placement in a nursery or primary school for one or two days each week.

The programme will help you to understand your own personal and social development, including how to behave professionally.

What You Will Study

This study programme will cover a range of the topics and units at each level, some of which are listed below:

- Roles and Responsibilities of the Early Years practitioner
- Safeguarding
- Promoting play in the Early Years
- Supporting the Needs of the Child in Preparation for School
- Promote Positive Behaviour in Early Years Settings

How You Will Be Assessed

You will be assessed to make sure you understand what you have been taught in a variety of different ways. This may include written reports, case studies, producing leaflets, answering questions or through presentation and practical tasks in the classroom. Independent learning away from the classroom will be important to ensure your knowledge development.

Entry Requirements

4 GCSEs at Grade 9-3, one will be in either English or Maths.

Further Study

On successful completion and with the required English and Maths grades you can progress through the levels.
