

Level 3 Art & Design

ART, DESIGN & PHOTOGRAPHY

Wakefield College

Course Overview

This creative and exciting pathway is aimed at broadening and expanding your art and design skills to a very high standard in areas such as drawing, design generation, painting, three-dimensional design, printmaking, ceramics, surface design, and digital applications. Working within a creative studio environment and IT suites, you will develop your knowledge, self-confidence, communication, time-management and presentation skills, resulting in a professional portfolio and body of work.

Exploring the work and ideas of other artists and designers is key to underpinning all assignment work and supporting independent idea generation and development. The BTEC Level 3 Diploma in Art & Design Practice has a mandatory work placement aspect that requires you to seek an art related work placement which may include participation in the local 'Art Walk'. There may also be an opportunity for a residential (subject to numbers).

You will learn through a series of thought-provoking topics and themes, diverse assignments/live briefs and practical workshops, led by friendly, supportive and experienced staff.

Enrichment: All students will have the opportunity to visit and explore local galleries and surrounding areas such as the Hepworth, the Yorkshire Sculpture Park, Leeds City Art Gallery, Sheffield Art Gallery and the Henry Moore Institute.

Past industry links include:

- The Orangery
- Burberry
- Cannon Hall Farm
