

Level 3 Foundation Diploma in Art & Design

In Partnership with Screen Yorkshire

Course Overview

The Foundation Art and Design programme is a stimulating course to prepare you for Higher Education or employment, that will allow you to explore a wide range of creative activities before committing yourself to a single area of study within your chosen specialist pathway. Keep an open mind and you will be on your way to joining those professional artists and designers whose work enriches our everyday lives.

You will learn through a range of projects involving investigation, research and communication skills, you will examine historical and contemporary aspects of Art and Design in order to analyse and prepare research information for written and seminar presentations.

You will be taught a range of fundamental artistic skills including drawing, mixed-media and painting which will develop into more personal techniques as you progress into areas such as textiles, fashion, 3D and digital work.

Regular local visits to galleries, museums and exhibitions, there will consolidate your understanding of art appreciation and inform your own work.

You can gain UCAS points - Pass 80 / Merit 96 / Distinction 112 on successful completion of the course.

What You Will Study

Unit 1 - Diagnostic Investigation into Creative Practice

Through studio and workshop projects you will undertake a diagnostic investigation into visual language and creative practices. This exploratory investigation will allow you to become familiar with and experiment within a wide range of art, design, craft and media (creative disciplines) as part of your journey to, or reinforcement of, specialism in Unit 2 or Unit 3. You will learn how to research and develop your ideas and how to evaluate and reflect on your progress at relevant stages through reflective learning journals and online blogs.

Unit 2 - Developing Specialist Practice

This unit will provide you with the opportunity to reflect on the knowledge, skills and practices you have developed in Unit 1 of the qualification, and to define your creative ambitions by encouraging a holistic approach to a range of activities, which will support, contextualise and position your creative endeavour within your chosen specialist practice.
