

Level 3 Lead Adult Care Worker Apprenticeship

Course Overview

As a Lead Adult Care Worker, you will make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges. You will be expected to take appropriate action to support individuals to maintain their independence, dignity and control.

By providing leadership, guidance and direction at the frontline of care delivery you will be instrumental in improving the health and wellbeing of those receiving care and support. Lead Adult Care Workers will in some circumstances have delegated responsibility for the standard of care provided and may supervise the work of other care workers.

Lead Adult Care Workers may work in residential or nursing homes, domiciliary care, day centres or some clinical healthcare settings.

Apprenticeships give you the opportunity to work for a real employer, earn a real salary and gain a real qualification whilst gaining valuable workplace skills and experience. If you are aged 16 or above, are driven to succeed in a particular industry and are willing to commit yourself to training and study, then an Apprenticeship could be the right career move for you.

What You Will Study

The Apprentice will learn, work, earn and achieve a qualification all at the same time.

To achieve the Apprenticeship they will complete the following:

- An industry designed and recognised Apprenticeship
- End Point Assessment (Situational Judgement Test and Professional Discussion)

Functional skills to be discussed at enrolment.

Learners who have already achieved GCSEs (A-C/9-4 or equivalent) in Maths and English may be exempt from Functional Skills.

The Apprenticeship is work based, however the Apprentice may be required to attend College for functional skills.

How You Will Be Assessed

Situational Judgement Test and Professional Discussion
