How You Will Be Assessed

You will be assessed against a set of performance and knowledge statements which have been derived from National Occupational Standards for your occupational area. You will be assessed by an occupationally competent and qualified assessor whose job is to work with you and help you complete your qualification.

You will be required to produce a Portfolio of Evidence showing how you have met the performance and knowledge criteria for each unit required within the qualification, as directed by your assessor.

This qualification is not graded.

Entry Requirements

There are no formal entry requirements to take this qualification. This qualification can be undertaken without any previous training or qualifications in this subject area.

Fee Information

TBC

Further Study

On completion of this qualification you will have obtained the skills, knowledge and understanding and demonstrated competence to progress on to a higher level qualification in the same or similar occupational area or enable entry into supervisory and management positions within the workplace.

Industry will accept the qualification on its own as entry to a job role.
