

Level 3 Technical Occupational Entry in Supporting Teaching and Learning (Diploma)

Supporting Teaching and Learning

Course Overview

This qualification prepares you to enter roles within schools and colleges by developing the knowledge, skills, and practical experience needed to support teaching and learning. This qualification will help you to:

- Focus on the study of supporting teaching and learning in educational settings
- Gain both breadth and depth of knowledge, including core principles of child and young person development
- Develop a wide range of practical and technical skills used in school and college environments

As part of the course, you will complete 200 hours of mandatory placement in an Primary School, High School or College setting, where you will collect evidence to support your studies.

What You Will Study

To achieve the qualification, you will complete a series of mandatory units that develop both knowledge and practical skills:

- Schools and Colleges as Organisations
- Support Health and Safety in a Learning Environment
- Safeguarding Children and Young People
- Develop Professional Relationships with Children, Young People and Adults
- Understand How Children and Young People Develop
- Support Positive Behaviour
- Support Children and Young People During Learning Activities
- Support English and Maths Skills
- Support the Use of ICT in the Learning Environment
- Support Assessment for Learning
- Engage in Personal and Professional Development
- Support Speech, Language and Communication
- Support Bilingual Learners
- Support Learning for Children and Young People with Special Educational Needs and Disabilities
- Support Children and Young People During Transitions
- Support Play, Leisure and Extra Curricular Activities
