

Level 4 Certificate Sports Massage Therapy

Course Overview

The VTCT Level 4 Certificate in Sports Massage Therapy course will prepare you specifically for working in the sports massage industry dealing with injured clients.

This qualification will give you the opportunity to develop the necessary skills, knowledge and understanding to work with clients who have had recent non-acute injuries and pre-existing conditions.

You will develop your massage techniques gained at Level 3 further; in areas such as soft tissue release, connective tissue, corrective frictions, trigger points and muscle energy techniques. You will also gain a deeper knowledge and understanding of anatomy and physiology that will aid your development as a massage practitioner.

You will learn through practical and theory sessions in College. Self-directed study, learning and practice outside College will help you develop your knowledge and skills further.

What You Will Study

You will study a range of modules including:

- Conducting subjective and objective assessment
- Provide sports massage techniques to prevent and manage injury
- Treatment modalities to support soft tissue repair
