

# Get SET – Employment Focused Study Programme

## Course Overview

The Get SET programme is a work-based learning programme for young people who have had high levels of academic support in school or college. The course focusses on developing independence and employability skills through work experience opportunities.

You will be working with local employers or community groups, and you will be fully supported by a Job Coach. The course will prepare you for employment, supported employment, volunteering or a training programme such as Project SEARCH, Preparation for Work or Apprenticeship.

You will attend classroom sessions where you will complete portfolio work and go out to employers for on-the-job learning. You will be fully supported by your Tutor and Job Coach who will help you set and achieve your personal goals.

You will also attend English and Maths sessions to continue to develop these essential skills.

## What You Will Study

The programme will focus on developing your employability skills and ensuring you are confident about going into the workplace.

You will continue to develop your English and Maths and IT skills.

## How You Will Be Assessed

Your Tutor and Job Coach will monitor and record your progress in the classroom and in your placement and help you compile a portfolio of skills.

For English and Maths, you may complete controlled assessments and/or external tests, depending on your level.

## Entry Requirements

There are no formal entry requirements as this course can accommodate and be tailored to suit your needs based on your current levels of English and Maths. This course is aimed at young people who have completed their vocational learning and are ready to explore the world of work.
