

# Project SEARCH (Supported Internship Programme)

## Course Overview

Project SEARCH is a full-time supported internship based in a real workplace, not in college.

You will learn and work on-site with a business host who will offer a range of placements for you to develop essential skills.

This programme runs 5 days per week and includes over 800 hours of work placement.

This means lots of real work experience to help you get job ready.

The course is for young people aged 18–24 with an EHCP who want to move into paid employment.

You will:

Spend most of your time working in a real job setting

Gain experience in different work areas

Develop employability skills employers look for, such as teamwork, communication, and time-keeping

Build confidence and independence at work

You will have:

Short classroom-style sessions based in the workplace

Lots of hands-on, on-the-job learning

## What You Will Study

This is a full-time supported internship based in a real business.

You will get:

Over 800 hours of work placement to build skills employers want

Three 10-week placements in different areas of the business

A focused employability programme, taught from the workplace

Opportunities to learn with well-known employer partners

You will be fully supported by a Tutor and a Job Coach, who will help you to:

Learn job tasks

Understand and meet workplace expectations

Set and achieve your personal goals

You will also continue to develop your English and Maths skills to support you at work.

This programme helps you gain confidence, experience, and skills to get job ready.
